

HELP WANTED

Journeyman Meterman – This union position requires experience in installing, testing, servicing, repairing, and calibrating single and three-phase meters and associated equipment. The Meterman shall have demonstrated proficiency at trouble shooting and repair of electronic equipment; have a working knowledge of microprocessor based control equipment; and shall demonstrate proficiency at reading and understanding drawings and technical material related to meters and electronic microprocessor based control equipment. Central Lincoln has an excellent benefits package. The hourly rate of pay is \$39.61.

For training purposes, a Meterman may work under the direction of the Relay/Meter Foreman or Journeyman Relay/Meter Technician on electronic meter and protection equipment.

Send resumes to Personnel, Compensation, & Benefits Manager, Central Lincoln PUD, PO Box 1126, Newport, OR 97365. Fax: 541/574-2122; or [e-mail: styler@cencoast.com](mailto:styler@cencoast.com). Resumes will be accepted until position is filled.
