City:		State:		Zip:			
- Tell us about your residence -							
Electric Heat Source :	<input type="checkbox"/> Wall Unit	<input type="checkbox"/> Baseboard	<input type="checkbox"/> Forced Air Electric				
	<input type="checkbox"/> Heat Pump	<input type="checkbox"/> Ceiling Cable	<input type="checkbox"/> Other _____				
Central Air Conditioning:	<input type="checkbox"/> Yes <input type="checkbox"/> No						
Existing Windows:	<input type="checkbox"/> Single Pane	<input type="checkbox"/> Double Pane	<input type="checkbox"/> Storm	<input type="checkbox"/> Metal	<input type="checkbox"/> Wood	<input type="checkbox"/> Vinyl	

Single-family, multi-family and manufactured home residences must have a permanently installed electric heat system capable of heating the entire dwelling.

Replacement Windows must be Energy Star Rated and have a U-factor of 0.30 or lower

Sq/Ft of new Windows _____ U-Factor _____

Is this installation being done in conjunction with another weatherization measure? Yes No

If "yes" is checked, you must submit separate weatherization application including installed square footage along with NFRC window stickers, windows measurements and all windows and insulation related invoices with this application.

Rebate = \$6 per sq/ft if done in conjunction with an additional weatherization measure if needed. Weatherization measures include adding insulation to attic, floor, or walls.

Rebate = \$5 per sq/ft for windows replacement only.

Rebates will not exceed the installed job cost. Rebates for self-installed measures will not exceed the cost of materials.

TO QUALIFY, EXISTING WINDOWS MUST BE SINGLE PANE, SINGLE PANE WITH STORMS OR DOUBLE PANE WITH METAL FRAMES. EXISTING VINYL AND DOUBLE PANE WOOD FRAME WINDOWS DO NOT QUALIFY FOR REBATES. AN AUDIT OF EXISTING WINDOWS MUST BE COMPLETED PRIOR TO INSTALLING NEW WINDOWS. CALL CENTRAL LINCOLN PUD AT 1-888-883-9879 TO SCHEDULE AN AUDIT. AN INSPECTION OF THE INSTALLED WINDOWS MUST BE PERFORMED AFTER INSTALLATION. ONCE THE WORK IS COMPLETE, CALL 1-888-883-9879 TO SCHEDULE AN INSPECTION.

Rebates are subject to availability of funds and may be discontinued at any time. Rebate requests must be submitted within 6 months of purchase in order to qualify for rebates. If you are unable to install your windows within 6 months of the initial windows audit, you will need to re-apply for the rebate. Please allow 8 to 10 weeks after final inspection for processing.

By signing this agreement, customer hereby acknowledges that he or she is familiar with, and agrees to, the standards regarding this program. Customer also certifies that the windows were installed within the service territory of Central Lincoln. Central Lincoln reserves the right to inspect all installed windows. Customer agrees to release Central Lincoln from any liability associated with the selection, installation, or operation of the equipment which was purchased under this program, and recognizes that in no way is Central Lincoln responsible for the safety or satisfactory performance of this equipment. Central Lincoln will not accept any liability caused by customer's participation in this program.

Customer Signature _____ Date _____

Rebate funds are not released until all invoices/receipts and documentation for the project is submitted to the utility. A Central Lincoln energy consultant will collect copies of all paperwork at the time of the final inspection, or you may submit a copy of this completed form, your contractor invoice (including window measurements), and a copy of your NFRC window stickers to:

Central Lincoln People's Utility District
 Attn: Energy Efficiency Rebates
 4120 SE International Way Suite A211
 Milwaukie, OR 97222
